APPAREL

Apparel complements your Corporate Identity.

Combine style and substance by pairing your name with an immediately recognized and respected brand.

Our extensive selection of men's and women's fashions include some of the top names in high-end sportswear and workwear, including Hi-Viz. Our in-house embroidery and screen printing staff—true masters of their trade—provide the attention to detail that will surpass expectations for even the most complex logos.

PROMO PRODUCTS

Promotional Products build business relationships.

Create a lasting impression with a unique product your clients will keep and use again and again!

Midwest creates distinctive executive gifts to fit every need and budget. Powered by the latest technology and endless creativity, our in-house departments can quickly turn around top-quality premium products—customized with extraordinary care—in time for your next company meeting, trade show, golf outing, or award program.

IN-HOUSE PRODUCTION

- **Screen-Printing**

Offering 4 screening presses, including an 8-color automatic press, with the capability to handle everything from t-shirts and sweatshirts, to seat cushions and safety vests.

- **Embroidery**

Offering 42 heads of embroidery with the capability to decorate everything from hats and bags, to performance polos and work jackets.

- **Art Department**

Our Art Department allows us to see projects from concept to reality. With the latest design software and technology, there is no project we cannot handle.

ONLINE STORES

Online Stores provide an attractive product showroom.

From creation to fulfillment, we can maintain an online store for all of your promotional and wearable needs. That means your employees, vendors, and customers can shop online for top-quality products and apparel that bear your company name at the convenient click of a button!

With all of our programs currently inventoried in-house, our fulfillment programs have a proven track record with Fortune 500 companies across the country and the world.

TECHNOLOGY

Tech items are a fun way to reach your clients at home, at play or in the car.

Sleek, fun, and always in trend—our technology items are sure to make you stand out among the rest. Perceived with high-value and entertainment, customers are more likely to keep them close and in use, making your name a part of their daily routine.

From custom loaded USB's and stylus pens to fitness trackers and music players, Midwest offers the latest in high-tech promotional items fit for any budget.

TOP RETAIL PARTNERS

**ABOUT
MIDWEST**

Corporate logo identity, recognition and marketing are critical parts of today's business. The value of corporate branding can help build long-term relationships and business.

At Midwest Promotional Group, we take your corporate branding very seriously! Corporations, both domestic and international, have trusted Midwest to help promote their brand since 1926.

Our In-House departments enable Midwest to bring your ideas to reality in a quick and cost-effective manner. Our expertise makes us your preferred source for Apparel, Promotional Products, Online Stores and Technology Items.

For quality and service "second to none," come see what we can do for you!

THE MIDWEST ADVANTAGE

Our In-House decoration capability along with our warehousing and fulfillment all at the same location allows us to keep your inventory levels at a minimum without jeopardizing product availability giving you a lower total cost of ownership.
